

Lennebelle

PETITES

Photo print guide

Step one

Download and print this pdf. Use the print setting “fit to paper” to print to scale.

Step two

Cut out the egg shape that you can find in the right corner of this paper.

Step three

Place the egg shape on top of the photo you want to use.

Step four

Trace the egg shape with a pencil. Cut out the egg shape you have traced on your photo.

Step five

Place the photo behind the edges in your locket.
